Our radio jocks make your taglines talk!  
(Hear your brand message now, in our RJs' lingo)

Introducing "Talking Taglines" an innovative way for Mirchi RJs to highlight your brand's positioning or tagline on air, and create an impact!

Your brand message can now be a part of our RJs' lingo. For e.g. while announcing a song, our RJ can say, "Coming up now a 'Fantastico' song from the movie Befikre..." or after coming back from a break, our RJ can say, "Hum aa gaye hain 'Bade aaram se'... is break ke baad..."

It's innovative. It's new. It's never been done before!  
You've done it on digital, now it's time to take your strategy a step forward on radio.
